

American DJ®

User Instructions

Stingray™

Thank you for purchasing this American DJ® product. For your convenience this lighting effect has been lamped and is ready to be used, there is no assembly required. Please read the following instructions before installing or using your new unit.

Operating Instructions:

Unit is ready to be hung or set on the ground. The Stingray™ has a bright tunnel effect; 8 clear beams with optional color gels. **For maximum effect use in sets of 4 with a chase controller.**

To replace lamp; unscrew door at the bottom of the unit. Replace bulb and reassemble unit.

For service, contact your *American DJ®* dealer.

HALOGEN LAMP WARNING!

This fixture is fitted with halogen lamps which are highly susceptible to damage if improperly handled. Never touch lamp with bare fingers as the oil from your hands will shorten lamp life. Also, never move fixture until lamp has had ample time to cool. Remember, lamps are not covered under warranty conditions.
